

Sport Transition Report December 2019
(Union sports groups)
By UPSU Insights Function

Introduction

- The Sport Transition survey was carried out to;
 - Get a branded name or identity for Sports Clubs
 - Establish satisfaction of committee and club members with transition.
- From the sports groups which are now part of Sports & Rec we had 13 responses, therefore this data will not be fully representative of all students participating in sport.

Member responses

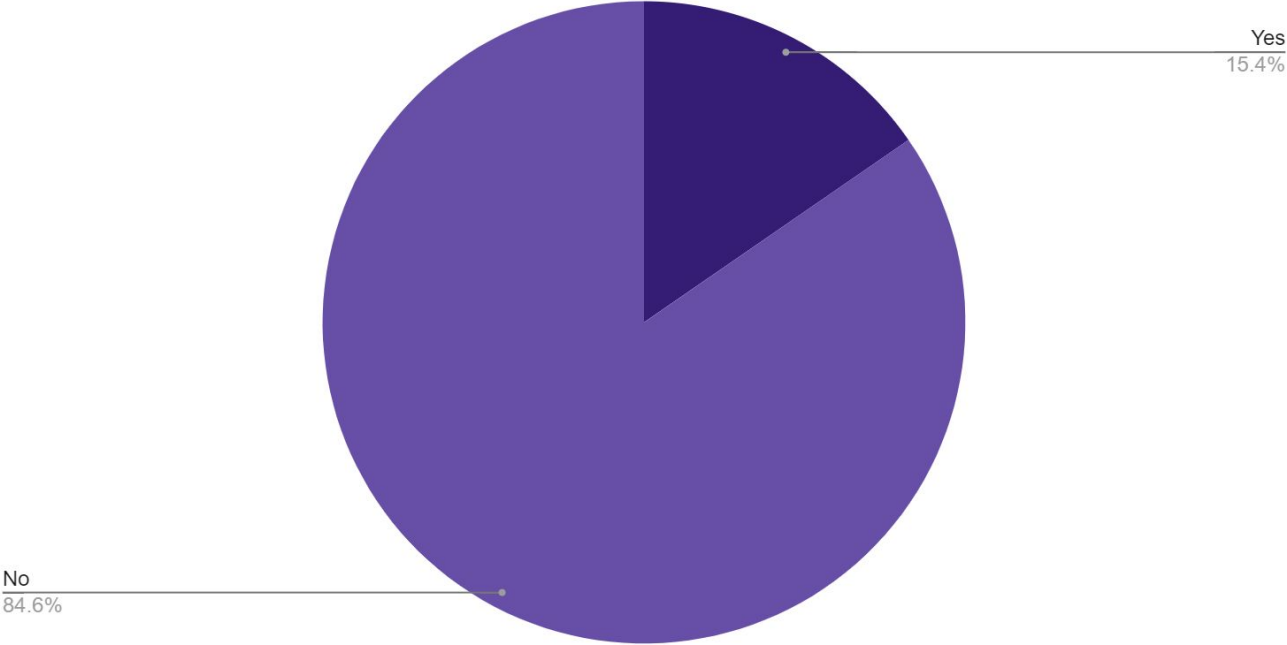

13 responses (7 respondents part of more than 1 club)
