

Motion to ensure appropriate support for students struggling due to international crises

The Motion Encourages the Union to Note:

1. Ensure that all policies and policy amendments that affect students in any way are published.
2. Ensure that student data, unless the data falls under 'protected characteristics', is shared with UPSU so that staff can reach out to support students affected by international crises.
3. Ensure that UPSU liaises with the university whenever there is an international crisis that could affect students at UOP.

The Motion Encourages the Union to Believe:

1. A large percentage of students at the University of Portsmouth are international students which comes with the risk that these students may face hardship from international crises.

The Motion Encourages the Union to Resolve:

1. Ensure that all policies and policy amendments that affect students in any way are published.
2. Ensure that student data, unless the data falls under 'protected characteristics', is shared with UPSU so that staff can reach out to support students affected by international crises.
3. Ensure that UPSU liaises with the university whenever there is an international crisis that could affect students at UOP.
